# tp-link | kasa smart

Let's get started with your new Kasa Spot Wire-Free Camera.

## STEP 1

## DOWNLOAD KASA

Get the **Kasa Smart** app from the Apple App Store or Google Play.

Download on the **App Store**
GET IT ON **Google Play**

## STEP 2

## ADD CAMERA

Tap the ⊕ button in the Kasa app, select **Add a Device**, then select **Cameras > Kasa Cam Battery**. Follow app instructions to add hub and cameras.

## STEP 3

## MOUNT CAMERA

Follow mounting instructions in the app for ideal camera placement.
